Learn together to name and describe emotions and feelings, how they feel, what they can trigger and how best to respond to your own feelings. Bingo of Emotions is the slightly different bingo game in our successful series. The perfect door opener for children and adults to talk about feelings. Comic-like illustrations and accompanying booklet in child-friendly language. The slightly different bingo game! Suitable for ages 4 and up. Variable playing time. Packaging 220 x 220 x 57 mm
