Product Description

The Empathy Game by Laurence King Item number: 696 764 EAN: 9789063696764 Author: Saskia H. Herrmann Illustrator: Jorik Elfenrink The game is simple. You take a card and tell your story according to the question or share your thoughts, from the everyday to the imaginary. The other players then take part in your story by contributing their own experiences and thoughts after rolling the dice. The empathy game encourages active sharing, listening and participation in the lives of our fellow human beings. Active togetherness makes it possible to allow and recognise vulnerability. This brings us closer together - what could be better? Packaging 131 x 162 x 50 mm
