Product Description

The little monkeys have a lot of fun jumping from hippo to hippo. Whichever gang of monkeys reaches the tree at the other end of the river the quickest wins! But watch out! Some hippos see the monkeys coming and dive under before they do. Then it goes "splash!" and the wet monkey has to go back and dry off. // PRELIMINARY IMAGE // Number of players 2 - 4 people Suitable for ages 4 and up Playing time 10 minutes Packaging 185 x 120 x 50 mm
