Product Description

Due to popular demand, we have created another small edition of the already sold-out GMII: Chronicles promos #1 to #3, which we are offering here in one package. This package contains: The winners of the community vote on "Famous People" (James Watt, James C. Maxwell, Alexander Fleming and Alexander Graham Bell) Six additional Clan Shields (the rules are in English only!) The coveted Nessie Chronicle "What Lurks Below" (in English only!), which is supported by the Automa Solo mode of the Highland Games expansion.
