### Product Description

Hellton Palace by iello Item no.: 701 503 EAN: 3701551701503 Author: Jean-Baptiste Pigneur Illustrator: Lorenzo Colangeli Welcome to Hellton Palace! Running one of the worst hotels just outside the gates of the underworld is no walk in the park. If the hellish guests are unhappy with the service, they're happy to trash their rooms. And if they are satisfied ... well, a trashed room is the least of their worries. As your honourable house is reduced to rubble piece by piece, you'll have to be clever and sneaky to control the uncontrollable. Use your staff as reinforcements ... and keep your fingers crossed that the rival hotel collapses before yours does! In Hellton Palace, whoever doesn't lose wins! 1. Receive a new guest 2. Hire staff to help 3. Take a tour of the house... and hope that your opponent loses. Ahead of you! Number of players 2 persons Suitable for ages 10 and up Playing time 30 - 45 minutes Packaging 202 x 48 x 202 mm
