Product Description

OverbookKing by HUCH! Item no.: 882 578 EAN: 4260071882578 Author: Filippo Landini Illustrator: fiore-gmbh.de | HUCH! Once upon a time...there was a king who wanted to throw a royal party for his daughter. Thousands of guests from all over the country were invited - travelling merchants, monks, soldiers and many others flocked to the capital. But oh dear! Because everyone had hoped for last-minute discounts, nobody had pre-booked a hotel room. Now the big race for the last available rooms begins! Who will get a place to sleep, who will have to stay outside and who will perhaps manage to get through the back door with a nasty trick? In this entertaining game for the whole family, each player tries to place their guest cards in the few hotels and collect points. But beware: each hotel can only accommodate a certain number of guests. You have to guess how many guests your opponents are likely to send into the race for the rooms and what cunning plans they are devising to get in your way. -Easy to learn, but with tactical depth -Lots of variety thanks to different hotel types and subject cards
Number of players 2 - 4 people Suitable for 10 - 99 years Playing time 30 minutes Packaging 50 x 200 x 200 mm
