Product Description

Beppo by HUCH! Item number: 882 561 EAN: 4260071882561 Author: Klaus Zoch, Peter Schackert Illustrator: fiore-gmbh.de Beppo the Goat is celebrating its 15th anniversary. In 2007, the game was honoured with the well-known "Children's Game of the Year" award and made its way into the hearts of many families and children. Even after many years, the children's game still impresses with its fascinating mechanism. Beppo races through the magnet like a wild man, criss-crossing the game board. With skill and practice, you can make him jump to any spot to push other playing pieces away. But Beppo is always full of surprises. If you're not careful, you might soon be feeling his horns yourself. -Awarded "Children's Game of the Year 2007"-Magnetic game of skill in a new design Number of players 2 - 4 people Suitable for 5 - 99 years Playing time 15 minutes Packaging 70 x 295 x 295 mm
