Product Description

Fabula Rasa - Horror by HUCH! Item number: 882 530 EAN: 4260071882530 Author: Nicko Böhnke Illustrator: fiore-gmbh.de There's more for all Fabula Rasa fans! The Horror supplementary set offers around 30 new motif cards that can be combined with both the Crime and Sailor's Yarn sets. A must-have for endless stories ... The horror motifs provide new visual cues for central characters (e.g. Dracula, werewolf, zombie), objects (e.g. carriage, cloak, torch) and locations in the story (e.g. castle, village, dark alley), which players have to remember in the correct order. What makes Fabula Rasa creative and challenging for the memory is that cards disappear and new ones are added in each round of the game. The narrator who best manages to tell their version of the story without making mistakes is rewarded accordingly. Practical: Compact and attractively priced addition New motifs for both Fabula Rasa sets Number of players 2 - 5 Suitable for 8 - 99 years Playing time 20 minutes Packaging 12 x 90 x 60 mm
