Product Description

There's all kinds of things to discover at the royal festival: children playing, people on balconies and crazy people in the crowd. A cartzzle is a picture that is puzzled by placing cards on top of each other - either with or without a template. The motif can then be put together again, but this time combined with further challenges! A new and creative type of puzzle. With the Cartzzle classique, you get a new look at well-known classical works of art and discover many details. Further motifs are waiting to be placed and discovered card by card on the backs of all cartzzles. Number of players1 - 2 peopleSuitable forfrom 8 yearsPlaying time30 minutesPackaging97 x 70 x 24 mm
