## Product Description

RIP by HUCH! Item no.: 883 544 EAN: 4 260071 883544 Author: Alexandre Droit Illustrator: Julien Monier As we all know, opportunity makes thieves: as a crime scene cleaner, you'll find yourself in abandoned houses where the dead have left valuable items behind. Who is the cleverest to play their cards in order to earn extra money? The house and number cards are partly face down and partly face up. So you never know what to expect and who is bluffing with their cards. Everyone plays a different character who favours certain items and collects bonus points for them. Exciting to the end and beautifully morbid thanks to the illustrations from the RIP comic series. If you like it nastier, add the killer as a character who pursues his very own goals. In a further mode, the killer can be accused and relieved of his most valuable item. -Thrilling bidding and bluffing collector's game with crime comic artwork -2 additional modes for an extra dose of tactics and bluffing Number of players 2 - 5 Suitable for 10 - 99 years Playing time 15 minutes Packaging 122 x 122 x 40 mm
