Product Description

Ei, Ei, Stempelei by HUCH! Item number: 883 322 EAN: 4 260071 883322 Author: Walter Obert Illustrator: Magdalena Markowska The farmer's wife Stella needs help to keep her farm in order. She wants to distribute the animals so that each species is happy. Egg, egg, stamping is a fun dice and stamping game with six coloured stamps. When it's your turn, you roll all three dice and choose a die. Take the corresponding animal stamp and use it to stamp an empty space on your farm sheet. The other players can then take it in turn to choose one of the two remaining dice and stamp an animal on their farm. If the die shows a hay bale, you are free to choose and can use any stamp. As soon as everyone has completely filled their farm sheets with stamps, the game ends. For each type of animal that you have stamped on your farm, you count the largest group. You receive one point for each animal in this group. The game becomes a little more strategic in the advanced version: Stella now has three wishes for the arrangement of the animals, which are randomly selected from the special tiles at the beginning. Additional points are awarded at the end for each fulfilled wish. - Great dice fun with 6 high-quality colour stamps - Plus wish cards for more challenge and variety Number of players 2 - 5 people Suitable for 6 - 99 years Playing time 20 minutes Packaging 205 x 205 x 50 mm
