Product Description

What is the largest tropical rainforest in the world called? What is an ice shelf and which animals roam the Serengeti in large herds? Our Earth is a planet with breathtaking landscapes, full of natural wonders - but always fighting against environmental dangers and climate change. Travel around the world in this nature and environment quiz in search of exciting knowledge and surprising facts. Discover fascinating and unique places that may not be around for much longer. In this quiz you play co-operatively, i.e. all together against the game! Each question is answered by two people together. Try to answer as many questions as possible for each continent so that all characters reach their goal at the end. If you answer too many questions incorrectly before reaching this goal, you all lose together. - Number of players 2 - 6 people- Suitable for 10 - 99 years- Playing time 45 minutes- Packaging 250 x 250 x 53 mm
