### Product Description

Alice in Wonderland by HUCH! Item number: 883 575 EAN: 4 260071 883575 Author: Martino Chiacchiera, Remo Conzadori Illustrator: Maciej Szymanowicz Let yourself be whisked away to Alice's Wonderland! Collect as many biscuits as you can as the Hatter, Rabbit, Queen of Hearts or Alice. Use mini playing cards to move clockwise on the game board. Watch out: You may only play the left or right card of the 3 cards in your hand. Then advance the corresponding number of spaces. If you get to or over the tea party space, you will be rewarded with large biscuits! On the biscuit square, you can turn the lucky clock hand and take as many small biscuits as indicated on the square. If you land on the caterpillar, it will make your figure bigger or smaller. Wonderful - because if you're tall, you can't fall down the rabbit hole! If you are in the hole, you can only get out again with a good turn of the hand. Once all 11 cards have been played, time is up. Who can collect the most biscuit points? - Fantastic game in which characters get bigger and smaller - Magical material: mini playing cards, a lucky clock hand and lots of biscuits! Number of players 2 - 4 people Suitable for 6 - 99 years Playing time 10 - 20 minutes Packaging 190 x 190 x 36 mm
