Product Description

Trickerion - Master of Magic, board game for 2 - 4 players, ages 15+ (DE edition)

A game full of magic and illusions in which aspiring illusionists conjure up fame and glory.

Immerse yourself in the world of Trickerion, take part in Dahlgaard's magical competition and become a master of magic. Trickerion - Masters of Magic, a game beyond imagination in which 2-4 players slip into the role of rival illusionists. At the beginning you have your favorite magic trick and a handful of assistants at your disposal. With their help, will you be able to follow in the footsteps of Dahlgaard the Great and ultimately call the legendary Trickerion crystal your own?

Choose your illusionist and embark on a journey into magical worlds. Like the characters, most of the magic tricks are inspired by the golden age of magic, the early 20th century. But not without giving them a touch of supernatural quality, so that you can never be sure whether their tricks are actually just illusions.

On each of your moves you will visit different places in Magoria, including the city center, the market square, the dark alleys and the theater. There you hire new assistants, get the right equipment for your newly learned magic tricks and work on their perfection in your workshop.

Each round of the game you end with the performance of your breathtaking illusions in order to reap fame and money. Because only the most glorious of you, who has fearlessly pursued his goal and regardless of loss, will be able to inherit Dahlgaard the Great at the end of the game.
