## Product Description

Mini Rails - Board game, for 3-5 players, from 13 Years (DE Edition)

Become a railway magnate in Mini Rails!

Mini Rails brings the essence of the stock trading and rail building genre into one focused experience that can be experienced in under an hour.

The game contains exactly two types of actions - "buy stocks" and "build tracks" - but these must be carefully chosen in order to pave the best way to the goal. You have to take each action exactly once per round, and which company is chosen affects the order of the next round.

Attention! Not suitable for children under 36 months. Legal minimum age: 13, legal maximum age: 99

- Number of players: 3-5
- Age: from 13 years
- Playing time: 45-60 minutes
