### Product Description

Kingdom Rush: Storm of the Elements: The Dark Elf - Board Game (DE Expansion).

Ever since Malicia, who had illegally seized the throne of the Twilight Elves, left Reg'son to die, he has been the personification of retribution. To successfully reclaim the throne, he has found allies in distant relatives: The Elven Army!

Reg'Son, the sinister blade, will destroy all enemies who stand in his way. And take back what is rightfully his by divine right!

From the back of a giant centipede, Baj'Nimen brings down dark magic on all his enemies. In the hope of avenging his queen Malicia, whose death has driven him mad. Baj'Nimen has searched near and far for a spell that will wipe every living creature from the continent so that the Twilight Elves will rule it. Rumour has it that he has already found this damaging spell and is now preparing to use it. Beware!
