### Product Description

Ultra Matte - 100 Super Sleeves f. K. Size 55 x 77 mm

These premium protective sleeves are specially designed for playing cards from board and card games. Each pack contains 100 57 x 79 mm card sleeves (for 55 x 77 mm cards) to protect and store playing cards. PVC-free, with a transparent matt finish on one side and a transparent orange peel skin on the other. This minimises light reflection and makes the cards easier to read. Depending on the lighting conditions, it is possible to adjust how the cards lie in the sleeves. The new, non-slip surface also makes shuffling much easier. Attention! Not suitable for children under 36 months!
