Product Description

Link CityWelcome to Link City, the city where everyone is in charge! Work together to work out how the city leader has allocated the locations and build a unique and crazy city.Link City is a party game in which players create a city together over six rounds. In each round, a different person takes on the role of the city leader, who has only one mission: to expand the city! But ... will the other players have the same ideas as the city leader? Only together will the players manage to connect as many places as possible and build a unique and crazy city.Players: 2-6Age: 8+Minutes: 30+Single gamePublisher: Blue OrangeGenre: Deduction & bluffing gameCategory: Party gamesMechanism: Association, communicationGame contentTiles 72Pylons 4Screen 1Instructions 1
