Product Description

Bohnanza 25 Jahre-Edition, card game, for 2-7 players, from 10 years (DE edition)

For 25 years, industrious bean gardeners have allowed numerous beans to flourish in their fields in order to reap bountiful harvests. Grow valuable bean varieties on your fields and skilfully trade bean cards with your fellow players.

Decide at the right moment to harvest your crop and thus receive important bean thalers. Because you better not sell your harvest too early ... In addition to the familiar beans from the basic game and the expansion set, the thieving magpie bean brings a new option: steal bean cards from other people's fields and put them on your own! Show your green thumb and collect the most bean thalers!

Caution! Not suitable for children under 36 months. Legal minimum age: 10

- Players: For 2-7 players aged 10 and over
- Game duration: 45 minutes
