### Product Description

The ultimate protection for your Altered® card collection! The officially licensed Altered® Zip-Up Album is a great way to collect and organise your precious Altered® cards. The album features a high-quality retro faux leather surface that offers a pleasant feel and features an elegant hot-stamped logo. The inside of the zip-up album is lined with a soft microfibre lining. Reinforced, rigid album covers provide additional protection for storing your card collections. The album contains 20 pages, each with 18 pockets with card slots on the side and offers space for 360 cards (also double-sleeved\*). A robust zip closes this album from all sides.
