Product Description

With Poetry for Neanderthals: Grab & Game, the popular word game comes in pocket format so that you can take it with you wherever you go and put your monosyllabic skills to the test. If you know Poetry for Neanderthals and are a fan, you will know how it works. But here it is again for everyone else! In two teams, you have to explain terms within a time limit and are only allowed to use words with one syllable. Whoever manages to guess the most terms and get the fewest "Nope!" objections wins the game and the title of the most poetic Neanderthal! - 2+ players - 7+ ages - 10+ minutes
