Product Description

Rise to become the best construction manager in all of Greece! In the heart of the Mediterranean, rival cities try to outdo each other in fame and fortune. As an up-and-coming architectural talent, you sense your chance to contribute to this and become one of the best builders in all of Greece. Construct residential buildings, barracks and markets and embellish them with gardens and temples. Only with innovative planning will your city achieve prestige, and magnificent agoras are a must! In Acropolis by Jules Messaud, 2-4 family players aged 8 and up compete for the best city districts and try to build the best city. You have to keep an eye on your stone supply, as this is the only way to get the best pieces. In addition, each of the 5 different city districts requires different requirements and at least 1 agora of your own colour to score points at the end of the game. - 2-4 players - ages 8+
