## Product Description

Schnipp Schnapp has many faces. In the latest edition from Piatnik, the cards show familiar illustrations from the classic picture book "Das kleine Ich bin ich" by Mira Lobe and Susi Weigel.

Snip, snip, snip, ... With each "snip", all the children simultaneously reveal a card from their pile of cards. Now it's time to pay attention. Do two different pictures come out, or maybe they are the same? Whoever discovers a twin card immediately shouts "snap" and receives the pair of cards as a reward.

But be careful: If you call out "snap" by mistake, you have to divide all the cards you have already collected equally among the others. Only those who pay attention and call out "snap" at the right moment can become the winner of the game. The winner is the one who has collected the most pairs of cards.

Attention: not suitable for children under 36 months!

- Age: from 3 years
- Number: for 2-6 players
- Duration: 10 minutes
