Product Description

Sinister threats creep from all corners of the universe and want to unhinge reality. Variants of the most evil supervillains rush through space and time to seize power. But where there are powerful villains, there are also powerful heroes... The fate of the multiverse is at stake. Only together can you win!- 1-5 players- 10+ ages- 40+ minutesIn **Marvel United: Multiverse**, you take on the role of legendary Marvel heroes who have gathered from all corners of the multiverse. Work together to stop the master plan of a powerful supervillain controlled either by the game or by one person. Each villain has their own masterplan with special card effects and threats. Use your equipment and play cards from your unique hero deck! Not only can you use them to perform actions and utilise superpowers, but you can also work together with other heroes to achieve the impossible. Create your own story, combine your powers and save the world together!**Marvel United: Multiversum** is a stand-alone base game and can be combined with all **Marvel United** content. The images shown are not final.
