Product Description

May we introduce? The Elton John playing cards from Bicycle - created in collaboration with the Rocket Man. May we present? The Elton John playing cards from Bicycle - created in collaboration with the Rocket Man. The entire deck is created in a classy gold and purple design - we find the iconic Elton John artwork on the court cards and the piano keys on the packaging, finished with gold-coloured holographic foil, are a tribute to this great artist. Embark on your own stylish journey along the "Yellow Brick Road".
