Product Description

Enter this miniature bookstore, read a book, have a cup of coffee and enjoy the quiet moments in the sunshine. Rolife Corner Bookstore DIY Miniature House shows an outdoor scene of a used bookstore in a small alley corner. Its unique style gives you the feeling of being in a city full of literature. Famous for its long history and many second-hand books, it is a special place in the neighbourhood. The book section offers a variety of books for different readers. Next to the main entrance is a shop window displaying carefully selected books and antiques collected by the owner, giving an insight into the history of the shop. To the side, the owner has used each space creatively, placing plants and classical statues to create a strong artistic atmosphere. These decorations not only make the shop more attractive, but also provide a pleasant place to read in this charming bookshop. The design of the Rolife Corner Bookstore perfectly captures the feel of an outdoor bookstore and gives book lovers the opportunity to relive the outdoor reading experience. The well-crafted design and detailed props make it fun to assemble and give you a perfect miniature model to display. This mini scene is not only art, but also holds fond memories and lets you experience nostalgic outdoor reading moments. - Age: 14+ - Material: plywood, paper, resin parts - Assembly time: 6h - Assembled size: 250*167*180mm - Quantity: 108* Note: Due to customs regulations, glue and battery (2pcs AAA/LR03/AM4 1.5V) may not be included in the package.
