Product Description

ROKR Classic Printing Press uses a movable print type that allows you to freely customise and effortlessly print messages and cards. ROKR Classic Printing Press 3D Wooden Puzzle LK602 Welcome to the world of Little Bear Print Factory! Simply squeeze the handle and watch the gears set the cute bear in motion. The LED lights inside the inkwell and the bear's paws will light up when the print is ready, then release the handle! This ROKR Classic Printing Press includes a sealed black ink cartridge, and you can add more water-based ink for endless prints. It's like a little bear printing factory where bears climb stairs and colour things in. The Classic Printing Press makes printing a meaningful experience and is perfect for bringing creativity and fun into your life! - Number of pieces: 303- Difficulty level: ??????- Assembly time: approx. 5h- Age: 14+- Package size: 316*230*53 mm- Assembly size: 215*145*270 mm*Note: Due to customs regulations, wax may not be included in the package.
