Explore the wondrous realms of the giants with this supplement for the world's greatest role-playing game. Bigby the Great recounts his journey into their history, myths and society in this book about the realms of the giants in the worlds of Dungeons & Dragons. Here, Bigby and the demigoddess Diancastra, child of the All-Father of Giants, Annam, reveal the secrets of Annam's mighty descendants. Players will find a wealth of giant-themed character options: a barbarian subclass, two backgrounds related to giants and their rune magic, and feat options that evoke the strength and primal magic of giants. Gamemasters get inspiration to bring giants to life, from maps of giant-built locations and large new monsters to enormous treasures and intriguing items in a giant's pouch! Let Bigby and Diancastra teach you all about D&D's famous giants!
