Product Description

"An exciting 3D puzzle adventure for little sleuths: Three valuable objects are hidden in a mysterious house. To find them, the players have to puzzle their way from map to map and embark on a total of three exciting adventures. Their faithful companion, Schnüffel, is always by their side. But only with the UV lamp can the players uncover all the secrets of the house and solve the puzzles. The co-operative escape game for children is not only fun, but also trains the reading and numerical skills of little puzzle fans. This is how it's played:- The task is to solve the secrets around the house together.- The game is divided into three parts. Each part has a secret message.- The players start with the first secret message and puzzle their way from card to card.- Some of the puzzles can only be solved with the UV lamp. After the players have successfully solved the first part, they decide whether they want to continue their adventure immediately or at a later time. Contents:- 21 puzzle cards- 3 secret messages- 3 hint cards and 3 solution cards- 4 house building parts- 1 UV lamp- 1 game instruction- Author: Anja Wrede Important notes Caution! Not suitable for children under 36 months.- Number of players: For 1 to 4 players aged 8 and over- Playing time: 60+ minutes
