Product Description

50 extremely amazing puzzles about true records: Everything here is bigger, higher, faster, further, somehow different... but extremely record-breaking! Whether it's gigantic breakfast eggs, huge snowball fights or killer icebergs. And the most fascinating thing is: these puzzle stories are 100% true! How to play: black stories junior are exciting puzzle stories on cards that have to be cracked together. Only the expedition leader knows the solution to the riddle, as he/she reads the riddle on the front out loud and is also allowed to study the solution on the back in detail. The adventurers now try to find the solution step by step by asking questions, guessing and puzzling. New game variant: One puzzle card is solved per game. Only the game leader knows the solution and the guessing team approaches it step by step by asking questions, guessing and puzzling ... as usual! But watch out: Particularly clever questions that lead to a hot clue are rewarded with point chips. The guessing fox who solves the puzzle receives an additional 3 point chips. Whoever has collected the most scoring chips at the end of the game wins! - Number of players: For 2+ players aged 8+- Playing time: 15 minutes
