## Product Description

Geistesblitz 2.0 - figure game (DE, EN, FR, IT), for 2 to 8 players, aged 8 and older

Geistesblitz 2.0 is the second spirited reaction game, with the extra splash of esprit that makes the brain cells dance.

In the middle of the table there is now a bathtub, brush, towel, frog and Balduin's spiritual friend Babette. The game is played according to the popular rules of Geistesblitz. However, if there is a towel on the map, the game searches for the item that was last "dried off" with the towel. The color of the towel is crucial. Frog Quakilius demands that we call the item. If it appears in the original colour, the frog only understands one foreign language.

Try this out: Combine Geistesblitz with this game in order to create an extraordinary gaming experience.
