Product Description

Spinderella - board game (DE, EN, FR, IT), for 2 to 4 players, aged 6 and older

Spinderella is a three-dimensional forest novelty with unique rope and play moves.

The spider brothers Roberto and Klaus rope their sister Spinderella by the thread down deep down to where the ant trails run along the forest floor. There the spider girl interferes in the ant marathon, whose winner will determine the winner of the game. While each player tries to get his three ants to the finish line first, Spinderella intercepts the eager crawlers of the competitors from above. To do this, she has to be able to get in close contact with the little marathon runners. A mobile, hollowed-out piece of bark that serves as a protective shield for the ants thus becomes a hard-fought trophy for the termites. However, ants underneath are not only safe but also blocked in their forward movement.

With each move, three dice and the active player decide whether spiders or ants and perhaps also the piece of bark are moved. If you grab an ant with Spinderella's help, you send it back to the start and may also (again) move your own ant forward.

The winner is the one who (first) has brought his three ants to the finish line.
