Product Description

Geistesblitz Junior, figure game, for 2-6 players, from 4 years on

A piglet, a frog, a chick and the ghost wait in the middle of the table.

In the proven Geistesblitz manner, one card is turned up in each round. Three figures in different colours can now be seen on it. The idea is to catch every figure that is shown in its original colour. All those who have reacted correctly receive a card.

For children from 6 years on, the ghost sometimes dresses in a dark nightdress. If he appears on a card like this, it says: "Hands off all figures."

Geistesblitz Junior lets children feel their strengths, ensures lively concentration and promotes the gift of combination - not only - at an early age through clever colour assignment.
