Product Description

Beasty Bar - Born to be Wild, card game, for 2-4 players, from 8 years

The game Beasty Bar attracts more and more animals to the red carpet in front of the legendary bar. With Born to be wild, twelve "beasts" can be seen there for the third time. The new animals bring even more cunning tricks, wild dynamics, situation comedy and sophistication to the game. Following the familiar rules of Beasty Bar, all the animals of the "extended regular clientele" can be combined with each other. Consequently, Born to be wild can be used both as a stand-alone game and together with all the other animals of the first two Beasty Bar games.

Born to be wild is the third game in the Beasty Bar trilogy. Twelve animals jostle past the doorman to take the animal-like places in the cult bar
