Product Description

Bamboleo, balance game, for 2-6 players, from 6 years

Bamboleo is a skill game for gravity experts and all who want to become one.

On the top of a wooden base there is a cork ball on which a plate with 25 wooden pieces is balanced. These wooden parts have different shapes and weights! The players take one wooden part from the plate in turn, without unbalancing it. Unbelievable, which sloping positions are possible!

If the plate tips off the ball, the game ends. The winner is the player who has cleared the most pieces by then.

A weird pleasure to play, experience and watch.
