## Product Description

Niagara, board game (DE), for 3-5 players, ages 8+

Game of the year 2005, a thrilling treasure hunt in a race against the current. The river bed is formed by transparent panes on which the canoes of all players drift towards the waterfalls. With the help of their paddle cards, the players move their boats and at the same time influence the speed of the river. The aim is to load gemstones on the riverbanks and bring them back to shore. But the jewels are by no means safe on board either, because some boat crews turn out to be gang of thieves behind them. The wild water spectacle for intrepid jewel hunters creates a pure atmosphere.
