Product Description

shadowrun: basic control unit, 6th edition, hardcover (DE), for 3 to 6 players, from 12 years

risk everything! The bets are against you. They always do that. The others have more people, more firepower, more money - they have more! What you do not have, are you: your ideas, your courage and your iron will to get through and put you to the top of the food chain! Shadowrun 6 is the latest edition of one of the most popular role plays of all time. In 2080, the world is controlled by mighty megacons, which areas about the latest technology and powerful magic to lead metamandomly to their will. But some individuals refuse this rule. These rebels beat in the shadows and only survive because they do the dirty work that no one else wants to do. They are Shadowrunner - and they just wait for you to connect them. Become an elven shaman, an orc street samurai, a dwarf rigger or something completely different and new. Discover your skills, use it for your orders and survive ... because only it is. The basic rules for Shadowrun 6 contains everything you need to play in the shadows. In a world of darkness, technology and magic, in which you need to take your own destiny - and experience new fun with your chat numbers.
