Product Description

Neuroshima Hex! 3.0: Die Iron-Gang, extension (Portal Games, German edition), 1 to 4 players, ages 8+

The dark roar of bubbling engines and the cloud of dust - the night will be uncomfortable - because something is coming your way: Hundreds of armed hooligans on their choppers still scare you, even in the post-apocalypse. Where the Iron Gang looks by, all that's left is ashes.

They circle you with their choppers and catch you with their net bullets. This is just the beginning of the cruel time for you: Beatings take you in the pincers and give you the rest. The Iron Gang is not a gang of disorganized hooligans. It is a brutal group of marauding nomads who have perfected hunting on the back of their steel steeds into an art form ...
