Product Description

Mein Friedberg Spiel - The unique game collection around Friedberg, for 2 to 6 players from 5 years on

On the occasion of the 800th anniversary of the city of Friedberg, the Friedberger Verlag Pegasus Spiele presents "Mein Friedberg Spiel - Die einzigartige Spielesammlung rund um Friedberg". The collection offers special Friedberg games such as a "running game" across Kaiserstraße as well as variations on popular classic games such as "Quartett", "Skat", a "Memo Game" and "Puzzles" (100 and 1000 pieces). The "Round Mill" also contains a game steeped in history as it was played hundreds of years ago in Friedberg. The collection is rounded off by the Friedberg adaptations of current Pegasus games hits such as "Love Letter", "MindMaze" - "Tricky Puzzles" and "MauMau".
