Product Description

Munchkin Quest Big Box 2 to 6 players from 12 years

Munchkin fans now have the opportunity to meet their favorite universe not only Bretthart but also completely: because with the new Munchkin Quest: Big Box Get the Basic Game Plus The two popular and long outsurely enhancements now is tidy and mortal portals together in a box. With the same satire and bitterbous meanings like Munchkin Card Game, Munchkin Quest spreads once more fun and cheerful madness.

Kill the monsters, claw the treasure and trap your buddies in the back - Munchkin Quest transmits exactly this Equally simple and successful concept in the world of the board game. Together with the whole group or on their own, the players explore a dungeon, doors enter and do what you do in dungeons: monster meetings and treasures shit! Due to the modular game structure, every dungeon is a completely new challenge.

Attention!Not suitable for children under 36 months.Setical minimum age: 12

- players: for 2 to 6 players from 12 years
- playing time: 150-180 minutes
