Product Description

Istanbul (expert game of the year 2014), 2 to 5 player 10 years and older

Welcome, merchant, to the Bazaar of Istanbul! The bazaar quarter is one of the main attractions of Istanbul. In the game of the same name, the players wander through the market as buyers and do business as profitably as possible. Use your assistants well in this strategy game and collect the rubies faster than your opponents! Despite the fact that goods and money are very important, merchants have only one thing in mind: to collect rubies. The first one to collect 5 rubies wins! Istanbul is a strategic treasure for players who keep an overview even on the bazaar hustle and bustle. The simple instruction enables a quick start into the game. With the included tactical variant as well as different starting positions Istanbul offers new challenges to experienced merchants.
