Product Description

Kingdomino, Revised Edition, 2 to 4 players, ages 8+

You are the ruler of a kingdom and you are looking for lands to expand your empire. It is important to get hold of the right land at the right time. Then nothing stands in the way of you building the most prestigious of all kingdoms! The larger your various lands are and the more houses there are in them, the more prestige points you will receive for them at the end of the game. But if you are too greedy in one round, your fellow players have the better choice in the next round. And sometimes it is worthwhile to snatch a certain piece of land from under their noses, so that they miss a lot of points, than to take a land tile that would only have earned you a few points. Clever cultivation and a watchful eye on the kingdoms of the other players are the keys to victory here! Kingdomino is a fast-paced family game for ages 8 and up with simple rules based on the popular game principle of dominoes. Kingdomino received the Game of the Year award on July 17th, 2017 in Berlin.
