### Product Description

Magic Maze (German edition), nominated Game of the Year 2017, 1 to 8 players, ages 8+

What to do if you don't have the equipment to search for fabled treasures in dark dungeons? There is only one thing left: pay a visit to the local Magic Maze mall. In a night-and-fog action, a magician, a warrior, an elf and a dwarf sneak into the department store and look for useful items for the next dungeon expedition. Each player can perform an action for one of the four heroes at any time that cannot be performed by other players. Only together can they successfully overcome the maze of Magic Maze, grab the equipment and hurry to the exit while the hourglass is running relentlessly. Doesn't that sound that difficult? Oh yes, the players are not allowed to talk to each other during the game, but only in short phases. Exciting games in under 15 minutes and varied scenarios ensure long-lasting real-time fun. Magic Maze by Kasper Lapp is a turbulent game for the whole family that silences everyone together but makes them laugh. Magic Maze was nominated for Game of the Year 2017.
