## Product Description

Poo Poo Pets, boardgame, for 2 to 4 players, aged 8 and older

Poo Poo Pets is all about speed: Each player has a number of tiles showing specific dice results in front of them. While all 3 to 5 players aged 8 and up play simultaneous, each player tries to roll the dice combination displayed in front of any of their opponents, using their own six dice. Once they succeed, they quickly press the squeaky toy poo to pause the game and take the corresponding tile from their opponent. If a player runs out of tiles in front of them, they drop out of the game. The last remaining player wins the game. Poo Poo Pets is simple, frantic fun with all players in action at the same time and an eye-catching toy poo to buzz out one opponent after the other.
