Product Description

EXIT - Der Tote im Orient-Express, Escape game (DE), for 1-4 players, ages 12+

Mord im Orient-Express. The perpetrator is still on board, but there is little time before the train reaches the terminus. The case is tricky and it is imperative that you hurry so that the one you are looking for does not escape.

At EXIT - The game, players with a little combination talent, team spirit and creativity gradually discover more and more objects, crack codes, solve puzzles and get closer to the perpetrator bit by bit. Unusual paths also have to be followed. The material can be kinked, written on or torn. Once the secret is revealed, the event game cannot be played a second time. That makes the game evening a special highlight.

- Will you manage to solve the death on the Orient Express?
- Team spirit, creativity and combination skills are required.
- Cooperative event game at the professional level for 1–4 players.
- For everyone who is not afraid of tricky puzzles and who have already solved EXIT games.
- With timer and Tutorial in the free KOSMOS explanatory app. The game can be played with and without the app.
- Playable once, as the material is changed while playing. This makes particularly amazing and varied puzzles possible.
- Parlor game for adults and children from 12 years.
- In a practical format: ideal party game and birthday present.
