Product Description

Catan - Das Duell (DE), for 2 players, ages 10+

As a princess or prince, the two players determine the fate of the settlers. They build roads, settlements and cities, erect individual buildings, hire heroes and command their subjects. You start with a small principality that consists of only a few cards. With appropriate throws, the landscapes bring in raw materials that should be used wisely to buy new cards.

The introductory game offers a quick introduction and the three theme sets bring a lot of variety and further strategic possibilities into the game.
