Product Description

Der Sternenschild - Extension for: Die Legenden von Andor, board game (DE), for 2-4 players, ages 10+

The legend continues. The first expansion for the hit game presents players with new tasks. After defeating the dragon, the heroes go in search of the star shield. The great power of the shield can prove to be both a blessing and a curse should it fall into the wrong hands. To make matters worse, hungry wolves have also been sighted. But if the heroes manage to tame the lead wolf, the wolves become loyal companions in the fight against the re-invigorated evil.
