Product Description

Shadowrun: Netzgewitter, Hardcover (DE), from 12 years

Unexpected winnings, strange underground operations, looted accounts and dangerous BTL chips: Berlin is threatened with a deadly thunderstorm. And while the clouds are gathering, the runners are drawn deeper and deeper between the fronts of armed neighborhoods, unscrupulous corporate researchers, dissonant technomancers, angry Vory and a dark secret from ancient technology. The lightning strikes are getting closer. Seeking cover is no longer an option. And while it's about morale, profit and survival, maybe only a mysterious ally made of code and crystal can help.

Netzgewitter is a campaign band for Shadowrun 6, which takes place in the mega-sprawl on the Spree. In several chapters, the runners experience an exciting story about old connections and new hatred, which is closely linked to the ADL's metaplot. Netzgewitter is a German in-house production and offers ready-made adventures in a partly modular storyline. And at the end there is a brilliant showdown that will not only decide the fate of the runners.

Warning! Not suitable for children under 36 months. Legal minimum age: 12

- Players: For 3 to 6 players, ages 12+
- Duration: 90 to 120 minutes
