Product Description

New discoveries - mini expansion for: Der Kartograph (DE), ages 10 and up

The new discovery expansion consists of three elements: a replacement block for the basic game, a new one Block with two additional maps and four ambush maps.

The new block shows the Tabula Rasa map on one side. The rules for the Tabula Rasa variant are of course included. On the back is the H + C game board that Hunter and Cron used to play on CONspiracy 3. The plan offers a new starting point to start playing right away. The same rules of the game apply as for the basic game.

The four ambush cards are shuffled together with the ambush cards of the basic game during game preparation. From the eight cards, four random cards are drawn and used in the game.

With all the new elements, hard-working cartographers are guaranteed to never get bored.

Attention! Not suitable for children under 36 months. Legal minimum age: 10

- Players: For 1 to 100 players, ages 10+
- Duration: 30 to 45 minutes
