Product Description

Splittermond: Aufbruch ins Abenteuer, role-playing game (DE), for 3-6 players, ages 12+

It has been almost a thousand years since one of the three moons burst over Lorakis and the realm of the dragonlings perished in disaster. But for humans, albons, dwarves, gnomes and varge, a new age began under the splintermoon: one in which they should shake off the chains of their former slavery and become masters of their own fate.

Welcome to splintermoon ! - Slip into the roles of fragment carriers - chosen by fate, in whom part of the mythical power of the fragment moon slumbers - and take on the leading roles in a story that you create together at the gaming table. Solve ancient puzzles, explore the wilderness of the continent, uncover intrigues, fulfill mystical prophecies and face dark monsters in battle.

Together as a group you will experience stories full of magic, heroism, tragedy and danger! Be it as a gnomish magician, brave knight, Vargian scout or Alban blade dancer: become a celebrated adventurer in the magical world of Splittermond!

Warning! Not for children under 36 Months. Legal minimum age: 12
